

SUSTAINABILITY EVENTS

DECEMBER

STUDENT EVENTS

Finals Frenzy at the Unions!

On December 15th, buy a coffee from Peet's coffee (a Fair Trade organization) and get a FREE BAGEL!

Take care of your mental health during finals by utilizing relaxation exercises from University Health Services.

For more information and more events for Finals Frenzy! visit this website.

THE SUSTAINUW PODCAST

Tune in to the new, student intern-hosted podcast about sustainability at UW–Madison and beyond!

Upcoming episode releases:
December 20: Feeding Communities During COVID-19

Listen on Spotify or at anchor.fm/sustainuw

SUSTAINABILITY ADVISORY COUNCIL (SAC) STUDENT SUBCOMMITTEE

The SAC will provide recommendations to the Provost and Vice Chancellor for Finance and Administration to advance sustainability at UW–Madison.

All of the recorded sessions, agendas, and executive summaries are available here. If you have any questions or comments, please reach out to:

sustainability@asm.wisc.edu or
sac@sustainability.wisc.edu

NELSON INSTITUTE EVENTS

Yahara Lakes 101: "A Master Plan for Vilas Park"

Wednesday, December 9th from 8-9am, experts will provide an update on the framework to re-envision Vilas Park for the next 15-20 years. Register here

Water@UW Livestream

Friday, December 11th from 2-4pm, learn about building water connections across the UW System as a foundation for collaboration. Zoom Link Here
